To,
Hiring Manager:

I am writing to express my interest in the **UX/UI Designer** position at your company. As an experienced designer, I have developed a strong understanding of user-centered design principles and the importance of creating intuitive and visually appealing user interfaces.

In my current role as a **UX/UI Designer**, I have worked on a variety of projects ranging from mobile apps to web-based software. My responsibilities have included user research, creating wireframes and prototypes, and collaborating with developers to ensure the final product meets user needs and business goals.

I am proficient in a range of design tools, including:

- Figma
- Solid Understanding of HTML, CSS, BOOTSTRAP

I mostly doing collaborative approach to design and have experience working with developers, Product managers, and marketing team. The major driving force for me to work as a designer is to enjoy the process solving problems.

I am excited about the opportunity to bring my skills and experience to your company and contribute to the design of innovative and user-friendly products. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team.

Yours faithfully,

Priyanga Madhavan
